

# HUMAN LEADERSHIP FOR A WORLD OF ACCELERATING INTELLIGENCE

**Greg Orme** helps leaders shift culture, mindsets, and behaviour to drive performance in a world where artificial, human, and social intelligence are accelerating at once.

## **HUMAN LEADERSHIP IN THE AI ERA**

How leaders stay human, relevant, and effective in a world of accelerating intelligence.

## **THE HUMAN SHIFTS HOW LEADERS CHANGE CULTURE AT SCALE**

Why cascading information fails to change organisations – and how leaders can spark conversations that shift behaviour.

## **LEAD THROUGH UNCERTAINTY AND CREATE CLARITY WHEN IT MATTERS**

How leaders build clarity, resilience, and momentum when the path isn't clear.

*"Greg delivered thought-provoking insights that left a lasting impact on our team."*

**Zane Freame, AI Business Solutions Growth Lead, Microsoft EMEA**
